

Department of Psychology Academic Resource Fair 2021

Welcome to the Psychology and Neuroscience & Behavior Room!

Breakout Room Instructions

The following breakout rooms are available for you to join:

Psychology
Neuroscience & Behavior
Peer Advisors

In the **Psychology** and **Neuroscience & Behavior** rooms, you can ask Program Advisors about major and concentration requirements and course selection. The **Peer Advisors** are current students who can chat with you about choosing your major, course selection, and other student's-eye-view advice.

To join a specific breakout room, please message **Elizabeth (Liz) Parish** privately in the chat and specify which room you would like to be assigned to. You can join another room at any time by returning to the main room and messaging Liz again.

Interested in joining the Psychology Department listservs?

Get detailed information about major requirements and sign up for the department listservs by going to psychology.columbia.edu > **Undergrad** > **Psychology Major** or **Neuroscience & Behavior Major**. On these major pages you will find a **sidebar** with links to the different listservs.
